Amended Year-End Report (11/28/06 - 12/31/06), ID #C00143230. This is in response to the question raised by the Federal Election Commission's notification dated 07/13/07 regarding disclosure of additional receipts on Line 15 of the Detailed Summary Page. Please note that these are not additional transactions but rather the transactions were originally reported as negative disbursements. The amendment was filed to properly disclose the transactions as receipts.
